

**23.-24.1.2010 TURKU WINTER KV, RONY DOEDIJNS, ALANKOMAAT**

**PENNUT**

**UROKSET**

**BLACK BACK RAJU RUMBA FI36503/09**

Young male. He needs a lot of time to mature. At the moment the bite is overshot. Needs stronger underjaw. Nice eye and pigmentation. Need more stability in front. Needs a level up the topline. Needs correct rear angulation. Nice colour and coat quality. Movements are correct for age. Correct in temperament.  
PEK1

**NARTUT**

**BRISTREGAL RUN TO THE HILLS FI39220/09**

Young bitch who needs time to mature. Needs to get used to the show scene. Sufficient bone and substance. Correct head profile. Nice eye and pigmentation. Needs to get more stability in front. Correct rear angulation. Correct body for age. Needs to improve in topline. Needs to get more steady on the move. Very well presented.  
PEK2

**SMARTPAW'S EVERY DAY FI35787/09**

Bitch of good type and proportion. Happy in temperament. Meaby needs a fraction shorter in the loins. Nice eye and pigmentation. Needs to settle in front. Correct rearangulation and tailset. Coat quality is correct fo age. Needs to get firmer on the move. Nice temperament and presentation.  
PEK1 KP ROP-pentu

**SMARTPAW'S ONCE AGAIN FI35786/09**

This bitch can not be judged at the moment, because she is very in stress when she needs to show the lite. She does not want to move properly. I can not examine the bite. And her temperament worries me at the moment. I hope she improves later. All over she needs time to mature.

**UROKSET**

**BENAYR MR GOODWILL FI16922/09**

Male of nice size and type. Very typical in temperament. Nice head profile. With very good eye and pigmentation. Excellent topline and tailset. Well developed body for age. Typical in front and rear angulation. Nice coat quality and colour. Movements are ok for age. Very well presented.  
NUO ERI1

**JILLBAY ARJENONNI FIN60985/08**

Young male of correct size and proportions. Typical in bone and substance. Nice eye and expression. Correct neck, topline and tailset. Needs to get more stability in front. Coat quality is correct for age. Nees to improve on the move. Nice temperament and presentation.  
NUO ERI3

**REIMIN SHOOT TO THRILL FI15788/09**

Male of good size and proportions. Very typical in bone and substance. Lovely head with nice proportions in muzzle and skull. Nice eye. Lovely topline and tailset. Correct in front and rear angulation. Nice coat quality and colour. Movements can be a bit firmer. Very well presented.  
JUN ERI2

**TRUOZZY'S FAT CAT FI34701/09**

Young male. Lovely temperament. Needs time to mature in topline. Sufficient in bone and substance. Correct in head profile and pigmentation. Needs to get more stability in front. Correct rear angulation and topline. Good coat quality. Needs to get firmer on the move. Very well presented.  
JUN ERI4

**AVOCATION MAGIC OF MOON FIN20702/08**

Lovely male. Excellent in type, size and temperament. Very good in proportions. Nice head profile, with typical expression. Excellent topline and tailset. Typical in front and rear angulation. Well developed body. Excellent in front and feet. Free and easy on the move. Very well presented. Nice colour and condition.  
NUO ERI1 PU4

**BARBAROSSA FIN26287/08**

Male of good size. I would prefer a bit stronger terrier temperament. Coat quality could be harsher. Nice eye and pigmentation. Needs more stability in front. Correct tailset and rear angulation. Needs to be firmer on the move. Very well presented.  
NUO EH2

**BLACK BACK FLY-N-DIVE FIN29177/08**

A young male. I would prefer a bit more bone and substance and a bit more masculinity. Head could be a bit stronger. Nice eye and pigmentation. Could do a bit more stability in front and a bit firmer topline. Nice coat quality and colour. Needs to be a bit firmer on the move. Nice temperament and presentation.  
NUO EH

**SURELY COULDNT RESIST FIN55684/08**

Male of good size and proportions. I would prefer more intence colour and the coat quality could be a bit harsher. Nice eye, pigmentation could be more intence, and I would prefer a bit more stability in front. Correct rear angulation and tailset. Needs to be firmer and more active on the move. Very well presented.  
NUO EH4

**TERHIERIN BOSS IN MOTION FIN45755/08**

Young male of correct size and proportions. Needs to have a more stronger and more firmer topline. Needs to get more stability in front. Correct rear angulation and tailset. Dark eye with good pigmentation. Coat quality could be harsher. Correct mover. Very well presented.  
NUO EH3

**MELUKYLÄN PELIMIES FIN11093/08**

Lovely male. Excellent in size and proportions. Beautiful head. Lovely eye and expression. Lovely topline and tailset. Excellent front and feet. Correct rear angulation. Excellent muscle tone. Tip top coat quality. Free and easy on the move. Very well presented. Lovely presentation of the breed.  
AVO ERI1 PU1 SERT CACIB VSP

**TERHIERIN MR BROWNSTONE FIN51760/05**

Male of correctsize and proportions. Ha s a jumping temperament. Good bone and substance. Nice eye and pigmentation. Typical earset. Lovely topline. Excellent rear angulation, croupe and tailset. Nice colour and conditioin. Movements can be a bit more fluently but now and then I can judge proper movements. Very well presented.  
AVO ERI2

**TERHIERIN PIRATE JACK 13064/08**

Lovely male. Correct in size and proportions. Typical in bone and substance. Needs to get used to the show scene. Correct head profile. Pigmentation could be more intence. Correct front and feet. Correct rear angulation and muscle tone. Correct coat quality and colour. Could be a bit stronger on the move.  
AVO ERI4

**TOP-KNOT LUCKY PALMER FIN54984/06**

Correct size and proportions. Good bone and substance. Nice head profile with nice eye and expression. Correct body. Nicely made in front. Tail carriage could be a bit better. Coat quality can be harsher. Movements are ok. Nice temperament and presentation.  
AVO ERI3
